

# Spring/Summer Information for Schools 2022

A new year is upon us and we have a lot to be excited about in 2022 as we are now fully open and have many wonderful woodland experiences to offer your amazing chil-

## Teddy Bears Picnic EYFS

Venture through our magical woodland looking for the Tanglewood Teddies! A beautiful half day of story telling and fun activities based on how woodland animals survive.

**Key concepts:** Imagination, speaking and listening, creativity, social skills and understanding of the natural world

## Enchanted Forest EYFS/KS1

Our most popular programme. Did you know Tanglewood has magical fairies and dragons? Come and search our woodland for a very cheeky dragon called Norris, build fairy houses and meet the Bogats! For a full day enjoy stories, songs and toasting marshmallows around a campfire. A perfect day to watch those little imaginations grow.

**Key concepts:** Imagination, speaking/listening, creativity, social skills and understanding of the natural world.

## Nature Detectives EYFS/KS1

After a short presentation on wildlife and trees, go on a woodland adventure using all of your senses. A great programme for introducing the children to new surroundings. We will hunt for minibeasts, create animal homes and play games.

**Key concepts:** Habitats, identification, camouflage, adaptations, trees, plants and animals, senses

## Hello to Habitats! KS1

After a woodland habitat presentation, venture through our woods identifying trees, plants and animal signs. The children will discover habitats, learn about food chains and germination and enjoy the art of mini beast hunting. After lunch we continue to delve in to the world of habitats with some fun seasonal activities.

**Key concepts:** Habitats, germination, trees, identification, care of the environment, food chains, hibernation

## Natures Palette EYFS/KS1/KS2

This programme is all about art — outside art! We venture in to the woods, get inspired and create some amazing natural masterpieces for your school. You will be amazed at how imaginative the children become and what we achieve individually and as a group.

**Key concepts:** Imagination, art and design, speaking and listening, creativity, social skills and understanding of the natural world

# Spring/Summer Information for Schools 2022

## Forest Survival KS2

Have you got what it takes to survive in the woods? Complete a series of challenges including den building, fire lighting and some hidden surprises! Team work at its best!

**Key concepts:** Survival, teamwork, problem solving, communication skills, co-operation

## Stone Age KS2

Step back in time to the Stone Age and discover how life used to be. Create your own tribe and learn how to be a "hunter gatherer". Build a temporary shelter, forage for food...lets hope it isn't poisonous, stalk a sabre tooth cat, learn how to create fire and much, much more.

## Habitat Heroes! KS2

Explore our woodland or heathland habitat ( and take an in-depth look at the flora and fauna. Investigate animal adaptations, food chains and photosynthesis and discover the uses and threats to the habitats today. Look at classification and use keys.

**Key concepts:** Habitats, germination, photosynthesis, growth, materials, care of environment, sustainability

## Shake Off SATS KS2

This day is all about end of term fresh air and fun! The children have worked so hard, now its time to shake it off and get "Tangled!" A fun packed day full of games, challenges and team work.

**Key concepts:** Fun, exercise, teamwork, communication and wellbeing
